Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Peaks Mill Water District Loss Reduction Project in Fiscal Year 2025. The entity to receive funding for this project is the Peaks Mill Water District, located at 7165 US 127 North, Frankfort, Kentucky, 40601.

The project is an appropriate use of taxpayer funds because it would replace approximately 1,250 water meters with a new automated smart metering system. It will also replace 5,000 feet of 2-inch water mains with 5,000 feet of 6-inch and 4-inch water mains, relocate 50 meters to areas of easier accessibility, and install hydrants and line valves.

This project has a federal nexus because it is for the purposes authorized in Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that neither I nor anyone in my immediate family has any financial interest in this project.

Sincerely,

James Comer
Member of Congress
