Washington, DC 20515

Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Hickman County Industrial Development Authority Business Commerce Center Project in Fiscal Year 2025. The entity to receive funding for this project is the Hickman County Industrial Development Authority, located at P.O. Box 261, Clinton, Kentucky, 42031.

The project is an appropriate use of taxpayer funds because it would construct a business commerce center in the local industrial park to attract new industrial development and assist in retaining local businesses that are surpassing their current facilities. This project has a Federal nexus because it is consistent with purposes authorized in 42 U.S.C.5305(a)(1).

I certify that neither I nor anyone in my immediate family has any financial interest in this project.

Sincerely,

James Comer
Member of Congress
