Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Madisonville-Hopkins County 911 Emergency Operations Center Project in Fiscal Year 2024.

The entity to receive funding for this project is the City of Madisonville, located at 67 N. Main Street, Madisonville, Kentucky, 42431.

The project is an appropriate use of taxpayer funds because it would provide equipment for a consolidated public safety command center staffed by members of all the public safety agencies in Hopkins County, Kentucky, including local law enforcement, first responders, fire departments, and rescue squads. The project has a Federal nexus because the funding provided is for purposes authorized in section 1701(b)(8) of the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. § 10381(b)(8)).

I certify that neither I nor anyone in my immediate family has any financial interest in this project.

Sincerely,

James Comer
Member of Congress
