Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Madisonville West Side Lift Station Expansion and Upgrade Project in Fiscal Year 2025. The entity to receive funding for this project is the City of Madisonville, located at 67 N Main Street, Madisonville, Kentucky, 42431.

The project is an appropriate use of taxpayer funds because it would renovate the existing lift station with modern and efficient pumping systems, valves, generators, and flowmeters. This project is part of a five-phase effort to replace and modernize outdated equipment and facilities to assist the City of Madisonville in providing quality, reliable service to their ratepayers.

This project has a federal nexus because it is for the purposes authorized in Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that neither I nor anyone in my immediate family has any financial interest in this project.

Sincerely,

James Comer  
Member of Congress
