Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Murray State University Police Department Security and Communications Upgrades Project in Fiscal Year 2024.

The entity to receive funding for this project is Murray State University, located at 322 Sparks Hall, Murray, Kentucky, 42071.

The project is an appropriate use of taxpayer funds because it would improve the capabilities of the police department at a four-year university by replacing obsolete communications equipment and making hardware and software upgrades to radio and data collection systems. The project has a Federal nexus because the funding provided is for purposes authorized in section 501 of the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. § 10152).

I certify that neither I nor anyone in my immediate family has any financial interest in this project.

Sincerely,

James Comer  
Member of Congress
