

Frequently Asked Questions Regarding Service Academy Nominations

1) What is a nomination?

Title 10 of the U.S. Code establishes two types of nominations: a) congressional and b) military service connected.

A non-military candidate may seek a nomination from the following: a) a member of the U.S. House of Representatives, from the congressional district where the candidate resides b) both U.S. Senators from his or her state c) in addition, a candidate may apply directly to the Vice-President of the United States, who can nominate applicants from any part of the nation. Most often, the Vice-President nominates students who are not graduating high school in the USA because their parents work overseas. Students whose parents are service connected may also apply for a Presidential nomination. For a Presidential nomination, apply after July 1st of the year prior to admission and before January 31st of the year of admission. For Vice Presidential apply by October 31st of the year prior to admission.

2) What are the basic eligibility requirements?

Each applicant for a nomination must meet the following eligibility requirements as of July 1st of the year of admission to an academy:

- You must be at least 17 years old, but not have passed your 23rd birthday.
- You must be a U.S. citizen.
- You must be unmarried, not pregnant, and without legal obligation to support children or other dependents.
- You must reside within the State of Kentucky.
- You must possess good moral character. It is assumed good moral character exists unless there is evidence to demonstrate otherwise.

3) When do I apply for a Congressional or Senate nomination?

You begin the process in the spring of your junior year with each U. S. Service Academy. In the fall of your senior year, submit Congressman Comer's application for nomination on or before (**preferably before**) October 25, 2024. See the Congressman's website, www.comer.house.gov to locate his application.

4) What is the deadline for completing a nomination file?

Congressman Comer's deadline for returning materials is **October 25, 2024**. Check with each of your Senator and Congressional offices for their respective deadlines. **The most successful candidates apply to all nominating sources: both Senators and Congressman, and when applicable, to the Vice-President and President.** If a candidate's parent is service connected and applies for a Presidential nomination, it is also highly recommended to apply for the Congressional nominations because the President only awards approximately 100 nominations nation-wide. Candidates may be considered for both, and it is advantageous to seek the Congressional nomination in addition to the Presidential nomination. Verify deadlines for each application.

12) SAT/ACT scores

Congressman Comer will accept ACT/SAT test scores from an official copy of the candidate's student transcript. You may also have your scores sent directly to the Congressman's office from ACT/SAT. It is highly recommended by each Academy and by our Academy Interview Board to take the ACT/SAT tests "early and often."

13) When will I receive my nomination?

Nominations must be delivered to the academies by January 31st. You will be notified sometime following or close to the January 31st deadline, once the nominations are completed.

14) Will I automatically be selected by the academy after I receive a nomination?

No. You will be placed among a select group of nominees, and the academy of your choice will make the final decision. If selected, you will receive a letter of appointment directly from the academy.

15) What if I choose more than one academy? Will I be limited to a single nomination?

No. You can be nominated to multiple academies depending on how well you have competed among this year's pool of candidates. It is also possible to win multiple appointments. It is recommended to apply to at least two academies, and it is also recommended to apply to the Merchant Marine and Coast Guard Academies in addition to the Air Force, Naval and Military Academies. **The most successful candidates apply to more than one Academy, thereby giving themselves the most options of earning an appointment to one of the academies.**

16) When will I know if I have been offered an appointment by an academy?

Academies will begin to notify candidates of their admissions status in December, January and February. Offers of appointment are sent out by May 1st. The Academies will award appointments after the candidate's file is reviewed and the candidate is determined "fully qualified." **Academies review files weekly beginning in September, so it is in the candidate's best interest to have their file at the Admissions Offices completed early. It is also in the candidate's best interest to have "competitive" ACT/SAT scores early.** As these scores weigh heavily in the appointment process, it is recommended to take ACT/SAT tests "early and often."
