Chairwoman DeLauro and Ranking Member Granger:

I am requesting funding for the Henderson Community College's Advanced Manufacturing Center Lab Capacity Expansion project in Fiscal Year 2023.

The entity to receive funding for this project is Henderson Community College, located at 2660 S. Green Street, Henderson, KY 42420.

The funding would be used to purchase equipment necessary to double the capacity of Henderson Community College's Advanced Manufacturing Center Lab, including a Universal Robotics lab with eight workstations. The lab will be utilized by students in the college's Federation for Advanced Manufacturing Education (FAME) program, Industrial Maintenance Technology (IMT) program, and employees wishing to upskill in collaboration with regional employers through the Kentucky Community and Technical College System's TRAINS program.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

James Comer
Member of Congress
