Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Carlisle County Sanitation District Wastewater Treatment Plant Upgrade Project in Fiscal Year 2027. The entity to receive funding for this project is the Carlisle County Sanitation District #1, 2286 US Hwy 51, Bardwell, Kentucky, 42023.

The project is an appropriate use of taxpayer funds because it would replace their 30-year-old wastewater treatment facility, which has exceeded its intended service life. As a result of its age and outdated infrastructure, the plant has experienced ongoing compliance challenges with EPA standards. Significant upgrades are critically needed to ensure long-term regulatory compliance, operational efficiency, and continued service reliability for the community.

This project has a federal nexus because it is for the purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that neither I nor anyone in my immediate family has any financial interest in this project.

Sincerely,

James Comer  
Member of Congress
