Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Todd County Public Safety – Joint Emergency Center Project in Fiscal Year 2026. The entity to receive funding for this project is the Todd County Fiscal Court, located at P.O. Box 355, Elkton, Kentucky, 42220.

The project is an appropriate use of taxpayer funds because it would serve as a centralized hub for essential public safety services. Consolidating these services under one roof will significantly enhance inter-agency coordination, improve emergency response times, and ensure a more efficient deployment of resources during both routine incidents and large-scale emergencies. The project has a Federal nexus because it is for the purposes authorized in Section 306 of the Consolidated Farm and Rural Development Act, 7 U.S. Code section 1926(a).

I certify that neither I nor anyone in my immediate family has any financial interest in this project.

Sincerely,

James Comer
Member of Congress
