Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Madisonville West Side Lift Station Project in Fiscal Year 2026. The entity to receive funding for this project is the City of Madisonville, located at 67 N. Main Street, Madisonville, Kentucky, 42431.

The project is an appropriate use of taxpayer funds because these improvements will enhance the city's ability to manage wastewater in a rapidly developing area along Interstate 69, reduce the likelihood of system failure, and support long-term compliance with the Clean Water Act by ensuring proper conveyance and treatment of municipal and industrial wastewater.

This project has a federal nexus because it is for the purposes authorized in Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that neither I nor anyone in my immediate family has any financial interest in this project.

Sincerely,

James Comer
Member of Congress
