Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Adairville Wastewater Treatment Plant Improvements Project in Fiscal Year 2026. The entity to receive funding for this project is the City of Adairville, located at 110 North Main Street or P.O. Box 185, Adairville, Kentucky, 42202.

The project is an appropriate use of taxpayer funds because it would provide comprehensive solutions to the chronic issues occurring at the city's wastewater treatment plant which threaten their ability to comply with their current permit. These improvements would impact 333 households, 863 individuals, and 24 businesses.

This project has a federal nexus because it is for the purposes authorized in Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that neither I nor anyone in my immediate family has any financial interest in this project.

Sincerely,

James Comer  
Member of Congress
