Chairwoman DeLauro and Ranking Member Granger:

I am requesting funding for the Campbellsville University Enterprise Resource Planning (ERP) project in Fiscal Year 2023.

The entity to receive funding for this project is Campbellsville University, located at 1 University Drive, Campbellsville, KY 42178.

The funding would be used to update wireless networks, security cameras, and access points and controls on Campbellsville University's main campus location. This project would increase campus security and access for students, faculty, and staff and promote campus modernization and student retention.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

James Comer
Member of Congress
