House Appropriations Committee

Washington, DC 20515

Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Springfield Industrial Park Water Project in Fiscal Year 2026. The entity to receive funding for this project is the Springfield Water and Sewer Commission, located at P.O. Box 307, Springfield, Kentucky, 40069.

The project is an appropriate use of taxpayer funds because it would provide clean water and sufficient water pressure to an area of key economic growth in a rural area primed for additional development. This project has a Federal nexus because it is consistent with purposes authorized in 42 U.S.C.5305(a)(1).

I certify that neither I nor anyone in my immediate family has any financial interest in this project.

Sincerely,

James Comer
Member of Congress
